

California WIC - List of Certified Point of Sale (POS) Systems

Effective June 08, 2023

The below list includes all EBT Capable Point of Sale (POS) Systems that have been certified to transact WIC EBT in California. Inclusion on the list does not represent CDPH/WIC's connection with, or approval or endorsement of a system of manufacturer. CDPH/WIC cannot provide technical guidance or information on system functionality or costs. Only systems that are in compliance with all relevant federal requirements for online WIC EBT systems will be certified for use in California. For more information on how to request certification of additional Point of Sale Systems, contact Jim Chilcoat, Retailer Integration Manager, CDP, Inc., at jim.chilcoat@cdpehs.com. This list is subject to change.
