

LEO Client Data Privacy Notice

You are receiving services from an HIV prevention program, which may include PrEP navigation and follow-up; HIV/HCV testing and care services; and support services activities, funded through the California Department of Public Health (CDPH), Office of AIDS. You will be asked to provide information about yourself. This may include your name; address; social security number; phone number; email address; race; gender; birth date; other demographic data; and medical history. Any identifiable information you provide is voluntary and there are no consequences for not providing all or any part of the requested information.

This serves as notice that the personal and medical information you provide will be input into the Local Evaluation Online (LEO) process monitoring system. Your information may be made available to your local health department and to the CDPH/Office of AIDS. Your information may be used for mandated care and treatment reporting; program monitoring and evaluation; statistical analysis; case management; and research activities. This includes, but is not limited to, demographic, medical, and substance use information.

This information is collected by CDPH pursuant to California Health and Safety Code sections 131019, 131051, 131085, and 121025 et. seq. and is used to record CDPH Office of AIDS-funded services. The information CDPH collects will remain confidential within the LEO system. The information you provide may be disclosed to other state and federal agencies as required by law.

You have the right to review your records that CDPH stores. Upon request, CDPH can inform you regarding the location of your records and the categories of any persons who use the information in your records. During normal business hours, the CDPH Office Technician is available at 916-449-5699 (1616 Capitol Ave., Sacramento, CA 95814).

The provisions of this notice remain in effect for one (1) year from the date received.
